

East Ayton Primary School

Pupil Premium Report 2017

The Pupil Premium is funding provided to schools which is additional to main school funding. It is allocated according to the number of pupils on-roll who have been eligible for free school meals (FSM) within the past 6 years, a smaller amount allocated according to the number of children of service families, and an allocation for each pupil who has been 'Looked After' (in care).

It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility. However, schools are to be held accountable for how they have used the additional funding to support pupils from low-income families. Please see below for information regarding how the pupils premium was spent in the last academic year, the impact of this funding, and the plans for future spending.

Pupil Premium Funding 2016/17 academic year		
Pupils Eligible for Free School Meals (last 6 years)	20 pupils @£1320	£ 26 400
Pupils from Service Families	5 pupils @ £300	£ 1, 500
