

EAST AYTON PRIMARY SCHOOL

Dear Parent/ Guardian, and member of Class 2,

I hope you are all well, staying safe and making the most of your daily exercise!

This is just a little note to let you know that I am missing you all very much! I can't wait until we are back together in school, learning and having fun.

Although we've not been together, I've been working with all the teachers to make sure that when you come back there's lots of interesting and fun things to learn, as well as looking after some of the children that have been in school. Oreo has been going on lots of walks, nearby where we live. I've also been getting creative in the kitchen, baking lots of delicious brownies and doing Joe Wick's daily workouts every morning on YouTube.

For this week, I've popped some home learning tasks below, for you to get stuck into over the next few days. If you would like to, you can keep all your work in a folder so we can all look at it when we get back and put your art on the wall.

Lastly, I just wanted to say thank you for all of your help with the children during these unprecedented times. Stay safe, and see you all soon.

Kindest regards,

Mr Dente

P.S. I absolutely loved your dance video! I knew Class 2 had the best dancers.

**Maths:** 3D Shape Scavenger hunt! Can you find objects in your house that are: cubes, cuboids, cylinders, and spheres? Once you have found them, can you think of different ways to group them together?

**Reading:** Can you read a new book out loud? This could be on the phone or FaceTime to a family member that you haven't seen in a while or to your pets or teddies. Once you have done that, can you draw a picture of your favourite character in the book and write why you like or dislike that character.

**Art:** We've learnt lots about animals and how some are endangered. I'd like you to draw/ paint/ make a collage of your favourite endangered animal. As always, you may colour it in. 😊

**PE:** You may have seen that the teachers have made a dance video. I'd like you to make up your own dance routine to your favourite song.
