

Dear Class 4,

We hope you are all keeping safe and well. Last week, we began to think about why the Vikings raided Britain and what Viking life was like in Britain. We hope you had fun exploring this.

This week we have planned an investigation. We hope you enjoy finding out about the Viking alphabet.

Maths: This week we are looking at subtraction. On the Nrich website, have a go at Square Subtraction. Continue to practise your times tables facts and the related division facts. Knowing these facts securely.

Reading: Can you find any Myths and Legends to read online that link to Norse Gods? Remember to keep practising your reading skills, develop your vocabulary, make predictions, question and summarise.

Handwriting: Please continue to practice and perfect your joined up handwriting style.

Enjoy learning about the Vikings, take care and keep doing your best.

Mrs Monks and Mr Lowe
