

Dear Year 3,

The rain is upon us! We may have lost the sunshine, but I hope that you have kept your smiles. Now would be the perfect time to start a new book, play a board game with the family, or take up a new hobby such as learning a language or crocheting.

Listed below are some suggestions for activities that you can complete at home this week.

### **Topic**

The Olympics are set to be held in Tokyo, Japan. Many different countries take part in the Olympic Games. Choose a country that is taking part in the Olympics and write a report about it.

Make sure to include these things in your report:

- A catchy title
- Paragraphs
- Present tense
- Facts
- Pictures and diagrams

You might include details such as:

- The location of the country
- The capital city
- Language
- Population (how many people live there)
- Currency (what money they use)
- A famous landmark
- A paragraph about the country

### **English**

Create your own acrostic poem using the word Olympics.

An example is below.

CHALLENGE: Can you introduce any rhyme into your poem? Do the last words of every line rhyme with each other?

# The Olympics

By Madison

Olympics about to start

London going crazy

You think to yourself... Who will win a gold medal?

Many people from all over the world

Pictures being taken from high up in the crowd

If I was there I'd be cheering as hard as I could

Celebrate when someone gets gold and most of all...

Support your team competing for your country

## Science

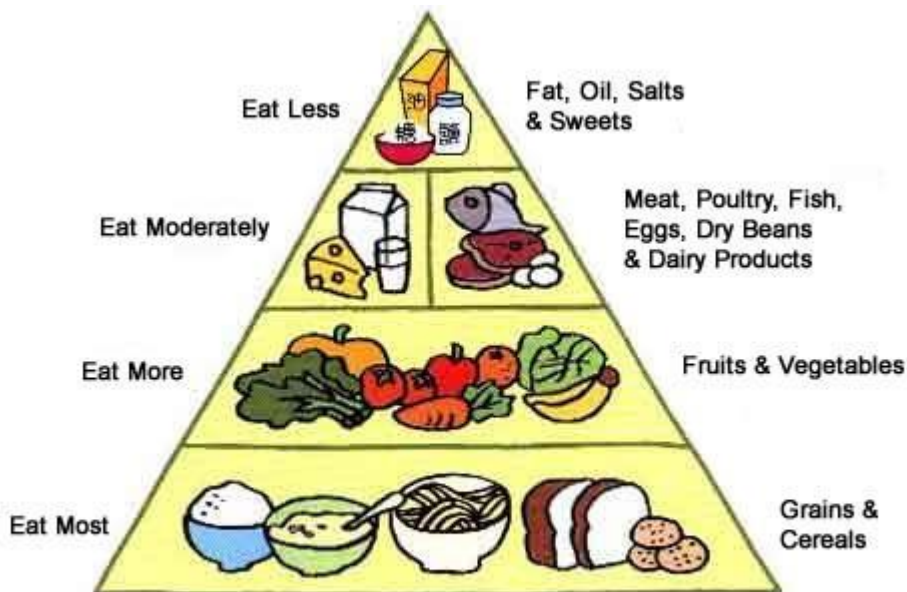

The people who take part in the Olympics must be fit and healthy!

Can you plan some healthy meals for the Olympic competitors?

Draw your meals and write what you have included and why they are healthy.

Remember the food pyramid!

## Art/Design

Now that you have re-created the actual Olympics logo, I would like you to create your own logo!

If you could design the Olympic logo what would it look like?

Be creative! Think of what the Olympics stands for and what sort of events they host.

I hope you all have another great week and remember to send pictures of you working to @Eastayton\_sch so I can see what you are all getting up to.

Stay safe and keep on smiling!

Kindest regards,

Miss Blakeley.
