

To Class 4,

We hope you are all keeping well and continuing to enjoy the weekly learning sheets. Over the course of the last week we have been looking through some of your work in Class 4. This reminded us what a fantastic class you are. Your amazing rainforest models, the different home learning challenges you have done and the fantastic poetry we did. We are both so proud of you all.

**Maths:** In Maths this week we would like you to explore time in more detail. There is a link below with some different worksheets that you can have a go at.

<https://whiterosemaths.com/wp-content/uploads/2019/05/Year-4-2018-19-Summer-Block-3-Time.pdf>

**Challenge:** Once you have done the worksheets try recording the different activities you do on one of the days in the week. Record how long you spend doing the activity and what the new time is. Try to produce a description of your day with lots of times in it.

**Literacy:** This week in Literacy, we would like you to produce a newspaper article for a Viking newspaper. Your first job is to research the 'Viking Raid on Lindisfarne'. To write your newspaper article you will need lots of information so try to find out what happened, when it happened and other significant facts. When you come to write your newspaper article, you will need an eye-catching headline, an orientation, pictures with captions and the writing should be organised in columns.

**Reading:** This week we would like you to visit the link below. There are some different 'Viking Sagas' for you to watch.

<https://www.bbc.co.uk/teach/school-radio/english-ks1-english-viking-sagas/zkyqd6f>

**Art:** In Art we would like you to explore what a typical Viking village looked like. To help you with this you may need to do some research. Your task is to draw a Viking Village during winter. Try to just use your pencil and not add any colour. You will need to consider shading and tone.

Finally, on Thursday afternoon we will be ringing home for a telephone conversation. We can't wait to find out what you have been up too.

Keep up the good work and stay safe.

Mrs Monks and Mr Lowe.
