

Hello everyone,

We hope you are all safe and well. It's hard to believe that we have now reached the final week in our school term. This has been made even more difficult due to the unforeseen circumstances that have had a huge impact on all our lives. Normally, at this time of the year we would have been able to enjoy sports day and school trips and other exciting activities to mark the end of your child's time in nursery. So for your final home learning, we would like you to think about the next part of your child's journey.

- Maybe you could ask your child to draw a picture of themselves for Mrs Nellist. This can go in their sharing book to share when the children return to school.
- Keep practicing putting coats and shoes on independently. Your child may also be getting dressed on a morning by themselves. This all helps when the time comes for your child to get ready for P.E. when they return to school.
- Finally, Have fun over the summer holidays, make lots of memories and treasure each and every minute!

It has been an absolute pleasure to be a part of your child's journey in nursery. Some of you are coming back to Nursery and we are so excited to see you all again. However, the majority of you will be moving on and we would like to take this opportunity to wish you all well in your new class and we hope to hear about all your adventures from Mrs Nellist.

Remember that you are all superstars and we know that you will continue to make me proud.

Have a lovely summer holiday!

Mrs Glenwright and Mrs Taylor
