

Green/Yellow

LO – I can explore the value of numbers.

SC: I can recognise numbers to 20.

I can order numbers to 20.

I can represent numbers to 20.

I can tell you one more/less of numbers to 20 (ext.2 more/less)

Home activity suggestion: Write numbers 1 to 20 on pieces of paper, hide the numbers around the house so your child can find them and put them in order. Then place the numbers in a bag for your child to pick out one at a time. Can they then tell you one more or less than the number they have picked out?

Use number cards 11 – 20

How many different ways can you complete the boxes?
