Music follow-up activities

Choose some or all of the following activities to complete after the lesson

1. Send me a video of you performing a part of the song. Try to add actions to the different lyrics.

2. Can you identify the rhythm in these lyrics by working out the beat?

1. I'm the champion of the Greeks.
I'm the one they'll never beat.
At the end of the day
I'll blow you away,
That's the wonder of war.

2. And when I'm on the battlefield,
Looking good behind a shield,
Fortune and fame,
That's the name of the game,
That's the wonder of war.

Bridge:
And when I'm lonely
And oh so sad
And blue,
Once in a while, I manage a smile
I know just what to do.

3. Write a persuasive message from Patroclus to get Achilles to re-join the battle.

4. Draw a picture showing Menelaus and Paris in battle. Where might the Gods be in the picture ready to take Paris away?
