

# ART

Here are some Spring art ideas that we would have done in school, if these materials are unavailable you could draw and colour in a picture that reminds you of Spring.

## Spring Buds

### Supplies

- Tissue paper
- Brown and green pipe cleaners
- Double sided sticky tape or PVA glue
- Scissors

1 First make the stem for the flower. To do this take 2 or 3 brown pipe cleaners and fasten them together by twisting them around each other at each end.

2 Take four green pipe cleaners, fold them in half and then make them into a leaf shape. Then twist the leaves onto the brown stem, about half way up.

3 Next, coat the top half of the brown pipe cleaners in PVA glue or double sided tape.

4 Scrunch up balls of tissue paper and stick them on to the top half of the pipe cleaner, ensuring that the whole thing is covered in blossom, then leave to dry.

# Split Pin Chick in Egg

## Supplies

- Split pins
- Yellow and orange card
- Googly eyes
- PVA Glue
- Porridge oats
- Chick Template
- Feathers

- Scissors

- 1 Print out the Chick Template onto yellow card, then carefully cut it out using scissors.

- 2 Using orange card, draw and cut out a simple egg shape; this needs to be cut into two halves. You could cut a zigzag shape as you cut the egg in half. Also draw and cut out a small beak for the chick.

- 3 Now decorate the egg halves. To do this, spread PVA glue over each surface, then sprinkle porridge oats over the glue, ensuring that the whole surface is covered. Then leave to dry.

- 4 Now give the chick some wings, by sticking a feather onto each side of it using glue. Also stick on googly eyes and the beak, then leave to dry.

- 5 Use a split pin to secure the two halves of the egg together at one side.

- 6 Finally, glue the bottom half of the egg onto the chick so that the chick is 'inside' the egg.
