Ancient Greece

Summary lesson

This marks the end of our Ancient Greece topic

- You have learnt so many things about Ancient Greece!
- We will be unable to finish our Greece geography leaflets so instead, could you create a really colourful document detailing all the things you've learnt. You can organise it however you like and in whichever format you like.
- This could be a leaflet, poster, spider diagram. The choice is yours!
- I'd like to see pictures and writing please.

Remember we have looked at:

- The differences between Athens and Sparta
- Greek gods and goddesses
- Greek city states
- Ancient Greece democracy
- The Greek Olympics
- The geography of ancient Greece (climate, land layout e.t.c)
- Famous Greek landmarks
