# Maths

- Continue using your number line, but this time we are finding the difference between two numbers
- Find the difference between the following numbers:
  - 2 and 5
  - 3 and 6
  - 4 and 8
  - 5 and 10
  - 10 and 12
  - 11 and 19
- Have a go at using different items in your home to help you in finding the difference. For example, count out 3 pegs then count out 6 pegs. What is the difference between these number of pegs.

# Phonics

# English

- Find out what a report is
- Can you find any examples in your home: in a newspaper, magazine or even online?
- What are these reports all about?
- Can you read them with a grown up?
- BBC bitesize has child-friendly reports of which you could share with your child.

# RE

- Today in RE we will be discussing how Christians celebrate Christmas
- We will be comparing the different ways in which we celebrate Christmas
- How do you celebrate Christmas?
- What you do over the Christmas holidays?

# Art

- Today in art we are exploring primary and secondary colours
- If you have any paint in your home this would be the perfect opportunity to experiment with mixing colours.
- Begin by mixing two primary colours. What colour does this make?
- If you don't have any paints, try this online game:
