Learning objective: To learn about the history of mosaics and to trial some designs

Red, Yellow and Green

Choose a pattern sheet below to have a go at colouring in some Greek mosaic designs. Early mosaics were limited to red, white and black and were aligned symmetrically – forming a pattern. Have a go at this style today.

Example:

|
 |
|------|------|------|------|------|------|------|------|
| | | | | | | | |
| | | | | | | | |
| | | | | | | | |
| | | | | | | | |
| | | | | | | | |
| | | | | | | | |
| | | | | | | | |
| | | | |
 | | | |
| | | | |
