## Overview

This week the children will return to counting. They count to 100 and compare and order numbers to 20. It's an opportunity to check that children can subitise (look at how many there are without counting them) numbers to 6 and that everyone understands conservation of number. Children estimate numbers of objects and images and begin to understand that teen numbers are 10 plus some more.

# Maths

– Children will know their colour groups

- Main Focus - Groups Count 10 images on a page and recognise numerals
- (Red Group) Count 10 images on a page and recognise numerals
- (Yellow/ Green Group) Count 15 images on a page and recognise numerals
- (Purple/Blue Group) Count 20 images on a page and recognise numerals
- (All Groups) Extend by adding more pictures to a given set and write the matching numeral. If you are at home you can use objects to make the learning opportunity as practical as possible (pegs, buttons, lego etc)

# Phonics

Due to the nature of our phonics lessons and how we split in smaller groups based on children's phonic levels there will be a recap consolidation of activities for Phase 2. I advise children to continue with their reading book each day and having a look at their sounds flash cards that have been sent home this last week.

# Literacy

- Fill in your weekend snapshots. Where did you go? Who did you see? Games you played? Things you ate and Your Sunday?
- This activity can be done with drawings.

## My Weekend Snapshots

Where I went...

Who I saw...

Games I played...

Things I ate...

Our Sunday...

The activity page features a title 'My Weekend Snapshots' at the top. Below the title are several illustrations: a soccer ball, a family walking, a child playing with blocks, a playground with children, a family sitting at a table eating, a child reading a book, and a child dancing. There are five large rectangular boxes for drawing, each with a label: 'Where I went...', 'Who I saw...', 'Games I played...', 'Things I ate...', and 'Our Sunday...'. The boxes are arranged in a slightly overlapping manner.
