

Welcome to Class 4

Dear Parent/ Guardian,

Welcome back to school and to Class 4! We hope you had a brilliant summer and are ready for the children to come back to school.

The purpose of this letter is to outline the day-to-day school life, with regards to what the children need and where they need to be.

Here's to a fantastic year for the children!

Kindest regards,

Mr Dente

Homework

Homework will be given out on a Friday and will be in relation to the learning of the previous week. It may be maths, English or topic related. It will be collected the following Wednesday. The children will be provided with Homework Books that will also contain the children's spellings in.

Home reading

Your child will have the chance to change their book once a week, if necessary - this will be on the day that they read with an adult. I will listen to the children read, one-to-one, once a week, during Guided Reading lessons. Your children will also read their home reading books with a teaching assistant.

Please can I ask that you continue to read with your child daily and record notes in their books this term.

Spellings

Spellings will be given out weekly on a Monday, followed by a spelling test the following week. It would be great if you could spend some time practising the spellings with your child at home.

Pick-ups

The children will be met outside the main school gate (where Year 6 enter) at 8:50am and then collected in the same spot at 3:15pm when school finished. Please refer to the Parent-Mail with regards to children entering school. Also, if you have arranged for someone else to pick up your child or they are going with another parent, please could you either let me know on a morning or give the office a call to confirm.

PE - This term PE is on Wednesday and Friday

Food and drink - children are allowed to bring a healthy snack to school at break times. This can be either fruit or a cereal bar. Please remember that we are a nut free school, so please double check the cereal bar doesn't contain nuts.

Children may bring a water bottle to school. If they would like to bring cordial and water, that's fine.

Clothing - Please can I ask that your child's names are written in all their clothes. It's that funny time of year where it's still warm so they school jumpers can get a little warm and we don't want to lose any. Due to our inclement weather, we'd also recommend bringing a jacket to school, just in case,
