

# East Ayton Primary School

## Class 3

### Autumn 2 - Medium Term Plan

#### Topic: The Olympics

### Literacy

In Literacy during Autumn 2 the children will look to write a non-chronological report providing an overview on what the Olympics are. The children will also explore persuasive writing and will be challenged to persuade others that the Olympics should be held in Great Britain. The children will finish the term off with writing to advertise. Pupils will need to advertise that the Olympics are coming to London.

### Maths

In Maths we will be following the 'White Rose Maths' scheme. During Autumn 2 the children will be focusing on addition and subtraction. The children will also develop their knowledge on multiplication and division. Some of the lessons include:

- Multiplication - equal groups
- Use arrays
- Multiples of 2
- Multiples of 5 and 10
- Sharing and grouping
- Multiply by 3
- Divide by 3
- The 3 times-table
- Multiply by 4

### Science

In Science during Autumn 2 the children will look at 'Plants'. The children will explore topics such as the structure of a flower, the conditions plants need to flourish and the transportation of water through plants.

- Identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers
- Explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant
- Investigate the way in which water is transported within plants

### Art/Design and Technology

In Art the children will try to create some Olympic themed art. The children will explore previous Olympic logos and will create their own design. During design and technology, the children will create an Olympic medal made from different materials.

### Music

In Music we will be using 'Music Express'. During Autumn 2 the children will firstly explore sounds. Following this the children will concentrate on performance poetry during music lessons.

### History

In History during Autumn 2 the children will explore how the Olympics have changed over time. The children will learn about the ancient Olympics and what the games looked like in their earliest form. The children will also compare and contrast this with the modern Olympics too.

### Geography

During Autumn 2 the children will focus on history meaning that geography is not looked at. Geography will be built into the Year 3 curriculum during the Spring term again.

### French

In French during Autumn 2 the children will learn classroom instructions. The children will develop skills such as:

- I give a response using a short phrase.
- I am starting to speak in sentences.
- I write phrases from memory.

### Computing

The children will develop their computing knowledge and skills using 'Rising Stars'. During Autumn 2 the children will become bug fixers and will be tasked to find and correct bugs.

### PSHE

In PSHE during Autumn 2 we will be looking at the topic 'One World'. This will involve talking about diversity and how the world is multicultural with people coming from various backgrounds.

### PE

In PE during Autumn 2 the children will focus on dynamic balance and agility. The children will take part in a series of different activities where they develop their ability to remain in control during explosive movements.

### Religious Education

Throughout the year the children will focus on different key questions in Religious Education. During Autumn 2 we will be continuing with the following key question:

What does it mean to be a Christian in Britain today?
