

English

This term, Class 5 are introduced to the work of William Shakespeare as a significant author from our literary heritage, focusing on his famous tragedy of Macbeth. The Macbeth story is explored through genres of play scripts (including drama), letter and diary writing, poetry and newspaper reports, as children become familiar with the characters and plot of this famous work.

Skills

- Annotate a text based on discussion in order to clarify understanding;
- Describe a character's thoughts and feelings at a given point in a story;
- Plan and write a spell poem using structure and vocabulary from an original text;
- Ask questions and annotate a text in order to clarify understanding of archaic language
- Convey characters' thoughts and feelings through writing;
- Read or perform from a script with appropriate clarity, volume and some expression;
- Write and edit an informal letter using correct letter-writing conventions and an appropriate style, including some additional information using relative clauses;
- Infer and describe how a character's thoughts and feelings might change in response to an event;
- Plan and write a series of diary entries using the expected features and developing detailed sentences using adverbials;
- Plan and write a newspaper report that uses the key features, including opinions and quotes.
- Infer and describe a character's thoughts and feelings and how they change over the course of a story.

P.E

This term in P.E, our learning focus will be on physical skills. We will develop these through two new games: Jumpball & Jump, Roll, Balance.

Skills

I can perform a range of skills fluently and accurately.
I can use combinations of skills confidently in specific contexts.
I can link actions together so that they flow.
I can perform a variety of movements and skills with good body tension.
I can select and apply a range of skills with good control and consistency.
I can perform and repeat sequences with clear shapes and controlled movement.

Science – Living Things and Their Habitats

In this 'Properties and Changes of Materials' unit, Class 5 will learn about different materials, their uses and their properties, as well as dissolving, separating mixtures and irreversible changes. The children will sort and classify objects according to their properties. They will explore the properties of materials to find the most suitable material for different purposes.

Crime and Punishment

Medium Term Plan

Year 5 – Summer 1

PSHE

In this unit of work, children will focus on achievements, aspirations and opportunities. They will start by discussing achievements they have accomplished so far and the type of attitude that helps us succeed. They will also learn about their own personal preferred learning styles, to understand how they learn best.

R.E

Key Question – What does it mean to be a Muslim in Britain today?

This unit enables pupils to learn in depth from different religious and spiritual ways of life about being a follower of the Muslim religion. Pupils explore the five pillars of Islam and the importance of these to Muslim believers. Pupils will gain a greater understanding of Islam and what we can learn from its beliefs, values and ideas.

Computing

Unit 5.5: We are adventure gamers

In this unit, year 5 will create an interactive, non-linear adventure game. They make this as a set of interlinked slides using hyperlinks in presentation software; the player chooses their path.

French

In this unit, year 5 will explore the following themes and content: breakfast, ingredients for a French dessert and the seasons.

Maths

Geometry - Shape

- Understand and use degrees
- Classify angles
- Estimate angles
- Measure angles up to 180
- Draw lines and angles accurately
- Calculate angles around a point
- Calculate angles on a straight line
- Lengths and angles in shapes
- Regular and irregular polygons
- 3-D shapes

Geometry – Position and Direction

- Read and plot coordinates
- Problem solving with coordinates
- Translation
- Translation with coordinates
- Lines of symmetry
- Reflection in horizontal and vertical lines

Decimals

- Use known facts to add and subtract decimals within 1
- Complements to 1
- Add and subtract decimals across 1
- Add decimals with the same number of decimal places
- Subtract decimals with the same number of decimal places
- Add decimals with different numbers of decimal places
- Subtract decimals with different numbers of decimal places
- Efficient strategies for adding and subtracting decimals
- Decimal sequences
- Multiply by 10, 100 and 1,000
- Divide by 10, 100 and 1,000
- Multiply and divide decimals – missing values

History

In this Crime and Punishment unit, Class 5 will develop their chronological knowledge beyond 1066 through studying this aspect of social history. The children will find out about the legacy of the Roman justice system and crime and punishment through the Anglo-Saxon, Tudor and Victorian periods.

Music

This term in music, Class 5 will use glockenspiels to play simple rhythms with C, D, E, F and G. We will also practise playing in time and composing a piece of music (considering pulse, rhythm, pitch and tempo).
