

East Ayton Primary School

Music Progression Map

Early Years

Expressive Arts and Design (Being Imaginative and Expressive)

Children sing a range of well-known nursery rhymes and songs.

Children perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with music.

Key Stage 1 National Curriculum Expectations

Pupils should be taught to:

- use their voices expressively and creatively by singing songs and speaking chants and rhymes;
- play tuned and untuned instruments musically;
- listen with concentration and understanding to a range of high-quality live and recorded music;
- experiment with, create, select and combine sounds using the inter-related dimensions of music.

Key Stage 2 National Curriculum Expectations

Pupils should be taught to:

- play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression;
- improvise and compose music for a range of purposes using the inter-related dimensions of music;
- listen with attention to detail and recall sounds with increasing aural memory;
- use and understand staff and other musical notations;
- appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians;
- develop an understanding of the history of music.

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Singing	<p>Sing simple songs, chants and rhymes from memory, singing collectively and at the same pitch, responding to simple visual directions and counting in.</p> <p>Begin with simple songs with a very small range, mi-so and then slightly wider.</p> <p>Sing a wide range of call and response songs, control vocal pitch and match pitch with accuracy.</p> <p>Perform songs in school assemblies and in school performance opportunities.</p>	<p>Sing songs regularly with a pitch range of do-so with increasing vocal control.</p> <p>Sing songs with a small pitch range, pitching accurately.</p> <p>Know the meaning of dynamics (loud/quiet) and tempo (fast/slow) and be able to demonstrate these when singing by responding to (a) the leader's directions and (b) visual symbols (e.g. crescendo, decrescendo, pause).</p> <p>Perform songs in school assemblies and in school performance opportunities.</p>	<p>Sing a widening range of unison songs of varying styles and structures with a pitch range of do–so, tunefully and with expression. Perform forte and piano, loud and soft.</p> <p>Perform actions confidently and in time to a range of action songs.</p> <p>Walk, move or clap a steady beat with others, changing the speed of the beat as the tempo of the music changes.</p> <p>Perform songs in school assemblies and in school performance opportunities.</p>	<p>Continue to sing a broad range of unison songs with the range of an octave (do–do) pitching the voice accurately and following directions for getting louder (crescendo) and quieter (decrescendo).</p> <p>Sing rounds and partner songs in different time signatures (2, 3 and 4 time) and begin to sing repertoire with small and large leaps as well as a simple second part to introduce vocal harmony.</p> <p>Perform a range of songs in school assemblies and in school performance opportunities.</p>	<p>Sing a broad range of songs from an extended repertoire with a sense of ensemble and performance. This should include observing phrasing, accurate pitching and appropriate style.</p> <p>Sing three-part rounds, partner songs and songs with a verse and a chorus.</p> <p>Perform a range of songs in school assemblies and in school performance opportunities.</p>	<p>Sing a broad range of songs, including those that involve syncopated rhythms, as part of a choir, with a sense of ensemble and performance. This should include observing rhythm, phrasing, accurate pitching and appropriate style.</p> <p>Continue to sing three- and four- part rounds or partner songs, and experiment with positioning singers randomly within the group – i.e. no longer in discrete parts – in order to develop greater listening skills, balance between parts and vocal independence.</p> <p>Perform a range of songs as a choir in school assemblies, school performance opportunities.</p>

Listening	<p>Develop pupils' shared knowledge and understanding of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing.</p> <p>Listening to recorded performances and opportunities to experience live music making in and out of school.</p>	<p>Develop pupils' shared knowledge and understanding of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing.</p> <p>Listening to recorded performances and opportunities to experience live music making in and out of school.</p>	<p>Develop pupils' shared knowledge and understanding of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing.</p> <p>Listening to recorded performances should be complemented by opportunities to experience live music making in and out of school.</p>	<p>Develop pupils' shared knowledge and understanding of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing.</p> <p>Listening to recorded performances should be complemented by opportunities to experience live music making in and out of school.</p>	<p>Develop pupils' shared knowledge and understanding of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing.</p> <p>Listening to recorded performances should be complemented by opportunities to experience live music making in and out of school.</p>	<p>Develop pupils' shared knowledge and understanding of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing.</p> <p>Listening to recorded performances should be complemented by opportunities to experience live music making in and out of school.</p>
-----------	--	--	--	--	--	--

Composing	<p>Improvise simple vocal chants, using question and answer phrases.</p> <p>Create musical sound effects and short sequences of sounds in response to stimuli. Combine sounds to make a story, choosing and playing instruments or sound-makers.</p> <p>Understand the difference between creating a rhythm pattern and a pitch pattern.</p> <p>Invent, retain and recall rhythm and pitch patterns and perform these for others, taking turns.</p> <p>Recognise how graphic notation can represent created sounds. Explore and invent own symbols.</p>	<p>Create music in response to a non-musical stimulus.</p> <p>Work with a partner to improvise simple question and answer phrases, to be sung and played on untuned percussion, creating a musical conversation.</p> <p>Use graphic symbols, dot notation and stick notation, as appropriate, to keep a record of composed pieces.</p>	<p>Become more skilled in improvising (using voices, tuned and untuned percussion and instruments played in whole-class/ group/individual/instrumental teaching), inventing short 'on-the-spot' responses using a limited note-range.</p> <p>Structure musical ideas (e.g. using echo or question and answer phrases) to create music that has a beginning, middle and end. Pupils should compose in response to different stimuli, e.g. stories, verse, images (paintings and photographs) and musical sources.</p> <p>Combine known rhythmic notation with letter names to create rising and falling phrases using just three notes (do, re and mi).</p> <p>Compose song accompaniments on untuned percussion using known rhythms and note values.</p>	<p>Improvise on a limited range of pitches on the instrument they are now learning, making use of musical features including smooth (legato) and detached (staccato).</p> <p>Begin to make compositional decisions about the overall structure of improvisations.</p> <p>Combine known rhythmic notation with letter names to create short pentatonic phrases using a limited range of 5 pitches suitable for the instruments being learnt. Sing and play these phrases as self-standing compositions.</p> <p>Arrange individual notation cards of known note values (i.e. minim, crotchet, crotchet rest and paired quavers) to create sequences of 2-, 3- or 4-beat phrases, arranged into bars.</p> <p>Explore developing knowledge of musical components by composing music to create a specific mood, for example creating music to accompany a short film clip.</p> <p>Introduce major and minor chords.</p>	<p>Improvise freely over a drone, developing sense of shape and character, using tuned percussion and melodic instruments.</p> <p>Improvise over a simple groove, responding to the beat, creating a satisfying melodic shape; experiment with using a wider range of dynamics, including very loud (fortissimo), very quiet (pianissimo), moderately loud (mezzo forte), and moderately quiet (mezzo piano).</p> <p>Capture and record creative ideas using graphic symbols, rhythm notation and time signatures</p>	<p>Create music with multiple sections that include repetition and contrast.</p> <p>Use chord changes as part of an improvised sequence.</p> <p>Extend improvised melodies beyond 8 beats over a fixed groove, creating a satisfying melodic shape.</p>
-----------	---	--	--	--	---	---

Instrumental Performance

Develop facility in playing tuned percussion or a melodic instrument, such as recorder. Play and perform melodies following staff notation using a small range (e.g. Middle C–E/do–mi) as a whole class or in small groups (e.g. trios and quartets).

Use listening skills to correctly order phrases using dot notation, showing different arrangements of notes C-D-E/do-re-mi.

Individually (solo) copy stepwise melodic phrases with accuracy at different speeds; allegro and adagio, fast and slow. Extend to question-and-answer phrases.

Develop facility in the basic skills of a selected musical instrument over a sustained learning period.

Play and perform melodies following staff notation using a small range (e.g. Middle C–G/do–so) as a whole-class or in small groups.

Perform in two or more parts (e.g. melody and accompaniment or a duet) from simple notation using instruments played in whole class teaching. Identify static and moving parts.

Copy short melodic phrases including those using the pentatonic scale (e.g. C, D, E, G, A).

Play melodies on tuned percussion, melodic instruments or keyboards, following staff notation written on one staff and using notes within the Middle C–C'/do–do range.

Understand how triads are formed, and play them on tuned percussion, melodic instruments or keyboards. Perform simple, chordal accompaniments to familiar songs.

Perform a range of repertoire pieces and arrangements combining acoustic instruments to form mixed ensembles, including a school orchestra.

Develop the skill of playing by ear on tuned instruments, copying longer phrases and familiar melodies.

Play a melody following staff notation written on one staff and using notes within an octave range (do–do); make decisions about dynamic range, including very loud, very quiet, moderately loud and moderately quiet.

Accompany this same melody, and others, using block chords or a bass line.

Engage with others through ensemble playing with pupils taking on melody or accompaniment roles.

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Notation</p>			<p>Understand the staff, lines and spaces, and clef. Use dot notation to show higher or lower pitch.</p> <p>Understand the differences between crotchets and paired quavers.</p> <p>Apply word chants to rhythms, understanding how to link each syllable to one musical note.</p>	<p>Understand the differences between minims, crotchets, paired quavers and rests.</p> <p>Read and perform pitch notation within a defined range (e.g. C–G/do–so).</p> <p>Follow and perform simple rhythmic scores to a steady beat: maintain individual parts accurately within the rhythmic texture, achieving a sense of ensemble.</p>	<p>Further understand the differences between semibreves, minims, crotchets and crotchet rests, paired quavers and semiquavers.</p> <p>Understand the differences between 2/4, 3/4 and 4/4 time signatures.</p> <p>Read and perform pitch notation within an octave (e.g. C–C'/do–do).</p> <p>Read and play short rhythmic phrases at sight from prepared cards, using conventional symbols for known rhythms and note durations.</p>	<p>Further understand the differences between semibreves, minims, crotchets, quavers and semiquavers, and their equivalent rests.</p> <p>Further develop the skills to read and perform pitch notation within an octave (e.g. C–C/ do–do).</p> <p>Read and play confidently from rhythm notation cards and rhythmic scores in up to four parts that contain known rhythms and note durations.</p> <p>Read and play from notation a four- bar phrase, confidently identifying note names and durations.</p>
---	--	--	--	--	---	--

Musicianship – pulse/beat	<p>Walk, move or clap a steady beat with others, changing the speed of the beat as the tempo of the music changes.</p>	<p>Understand that the speed of the beat can change, creating a faster or slower pace (tempo).</p>				
	<p>Use body percussion, (e.g. clapping, tapping, walking) and classroom percussion (shakers, sticks and blocks, etc.), playing repeated rhythm patterns (ostinati) and short, pitched patterns on tuned instruments (e.g. glockenspiels or chime bars) to maintain a steady beat.</p> <p>Respond to the pulse in recorded/live music through movement and dance.</p>	<p>Mark the beat of a listening piece by tapping or clapping and recognising tempo as well as changes in tempo.</p> <p>Walk in time to the beat of a piece of music or song. Know the difference between left and right to support coordination and shared movement with others.</p> <p>Begin to group beats in twos and threes by tapping knees on the first (strongest) beat and clapping the remaining beats.</p> <p>Identify the beat groupings in familiar music that they sing regularly and listen to.</p>				

Musicianship - Rhythm	<p>Perform short copycat rhythm patterns accurately, led by the teacher.</p> <p>Perform short repeating rhythm patterns (ostinati) while keeping in time with a steady beat.</p> <p>Perform word-pattern chants; create, retain and perform their own rhythm patterns.</p>	<p>Play copycat rhythms, copying a leader, and invent rhythms for others to copy on untuned percussion.</p> <p>Create rhythms using word phrases as a starting point.</p> <p>Read and respond to chanted rhythm patterns, and represent them with stick notation including crotchets, quavers and crotchets rests.</p> <p>Create and perform their own chanted rhythm patterns with the same stick notation.</p>				
-----------------------	--	--	--	--	--	--

Musicianship - Pitch	<p>Listen to sounds in the local school environment, comparing high and low sounds.</p> <p>Sing familiar songs in both low and high voices and talk about the difference in sound.</p> <p>Explore percussion sounds to enhance storytelling.</p> <p>Follow pictures and symbols to guide singing and playing.</p>	<p>Play a range of singing games based on the cuckoo interval matching voices accurately, supported by a leader playing the melody.</p> <p>Sing short phrases independently within a singing game or short song.</p> <p>Respond independently to pitch changes heard in short melodic phrases, indicating with actions.</p> <p>Recognise dot notation and match it to 3-note tunes played on tuned percussion.</p>
