Dear Parents/Carers,

**Re: OFSTED Inspection Report**

Following our recent inspection on 21<sup>st</sup> and 22<sup>nd</sup> February 2024, I am delighted to be able to share the OFSTED Inspection Report with you, prior to its publication on the OFSTED website within the next week.

As you will see from the report, OFSTED have rated East Ayton Primary School as 'GOOD' in every area and for its overall effectiveness as a school.

First and foremost, I want to say a big thank you to our pupils, families, staff and governors for all the hard work and support you have given in helping to create a school that we can all be truly proud of. Rightly, the inspectors recognised the contributions of our pupils and families in ensuring our values of 'Respect, Responsibility and Kindness' are at the heart of the East Ayton Community.

The most important part of the process for me was that the inspectors were able to clearly see and feedback on the aspects of school that make East Ayton Primary School a unique place to learn and work. I have included a few extracts from the report that highlight the vision, values and commitment that reflect the 'East Ayton' way.

- East Ayton Primary School is at the heart of the community
- All pupils and teachers are proud of their school and what they have achieved
- Relationships between pupils and staff are respectful and positive
- The school has high expectations of pupils' behaviour and learning. Classrooms are an oasis of calm
- It is a place of high aspiration and celebration

- Leaders have fostered a love of reading and placed it at the heart of the curriculum
- The school's curriculum is ambitious and planned well
- Pupils with special educational needs and/or disabilities (SEND) are carefully considered and all pupils access the same highly ambitious curriculum
- Pupils are accepting and respectful of others. 'Everyone in school believes in a diverse world'
- The arrangements for safeguarding are effective

The Ofsted report is undoubtedly positive and we are extremely proud of our achievements. Our commitment is to provide the highest quality of education, care and an opportunity for each child at East Ayton Primary School to achieve their personal goals and make dreams come true.

We will continue to grow and develop further as a school and have the highest expectations and ambition for everyone at East Ayton Primary School.

Thank you for your unwavering support and your efforts in helping us achieve our OFSTED rating 'Good'.

Please see attached copy of the report.

Yours sincerely,

Mrs Nellist
