

## Information for Year 5

Dear Parent/Carer

I hope you have had a very enjoyable and relaxing half-term break.

This term Class 5's main theme will be 'Global Food' – a design technology unit. Throughout the term, the children will learn about the exciting and diverse choice of food available around the world.

Other subjects include:

Maths – Decimals, negative numbers and converting units

English – Instructional texts/persuasive writing

Geography – Trade and Economics

P.E – Health and fitness/rounders

Science – Scientists and Inventors

R.E – What does it mean to be a Muslim in Britain today?

French – Date/weather/seasons

Computing – We are Web Developers

PSHE – It's My Body

For more information, please check the class page on the school website, for a detailed overview.

### **P.E/Sun Cream**

Since we have now finished our golf lessons, year 5 P.E will return to the usual timetable and will be taught on a Thursday and Friday afternoon. It is advised that P.E kit remain in school for the whole week.

As the weather improves, children must bring their own sun cream in preparation for outdoor P.E lessons and breaktime.

### **Homework/Reading Records**

A reminder that homework will be sent home on a Friday and will need to be completed and handed in on the following Friday. This provides an opportunity for the children to seek help in school if they find the homework challenging.

Reading records will be signed during the week (guided reading), and the records will also be checked on a Friday. This is for our weekly Top 5 Reader challenge.

Yours sincerely,

Mr McCarthy  
Year 5 teacher
