Progression of Skills & Curriculum Overview 2024/2025

Area of Learning	Autumn 1 – All About Me 8wks	Autumn 2 – Winter Wonderland 7wks	Spring 1 – Space 6wks	Spring 2 – People who Help Us 6wks	Summer 1 – Traditional Tales 5wks	Summer 2 – Beside the Seaside 7wks		
Other Possible Themes	Pets, Looking after ourselves, Our Local Area, Our Families, Halloween, Harvest Festival	Diwali, Bonfire Night, Remembrance Day, Nursery Rhyme Week, Hanukkah, Christmas	Burns Nights, Chinese New Year, Storytelling week, Valentine's Day,	Ramadan, Pancake Day, World Book Day, Mother's Day, Eid Al-Fitr	Easter Sunday, Walk to School Week Planting/Gardening/Spring	Father's Day, Eid-Al-Adha, International Day of Friendship Mermaids, Looking after the ocean		
Enrichment Activities	Baby Clinic, Dress up as your favourite character, growing up, generations, family tree	Nursery Rhyme Week/ Dress Up, Nativity Performance, Christmas Jumper/Dinner Day	Penguin Day, Ice Experiments, Chinese New Year School Day, Flying to a different country.	Bird Watching, Tiger Tea Party, Police, Firefighters, Nurses and Doctors, Teachers, Ambulance etc.	Butterfly Garden, Playdale Farm, Growing flowers (sunflowers, daisies), Story telling through different characters	Beach Trip. Family Pirate Picnic, Flying to the beach, sand & water play, Science Day, Water Day		
Communication and Language Communication and Language is developed throughout the year through high quality interactions, daily group discussions, circle times, stories, singing, speech and	Listening, Attention and Understanding Children will be able to understand how to listen carefully and know why it is important. Speaking Children will talk in front of small groups and their teacher offering their own ideas.	<i>Listening, Attention and Understanding</i> Children will begin to understand how and why questions. <i>Speaking</i> Children will use new vocabulary throughout the day.	<i>Listening, Attention and Understanding</i> Children will learn to ask questions to find out more. <i>Speaking</i> Children will talk in sentences using conjunctions, e.g. and, because.	Listening, Attention and Understanding Children will retell a story and follow a story without pictures or props. Speaking Children will engage in non-fiction books and to use new vocabulary in different contexts.	Listening, Attention and Understanding Children will be able to understand a question such as who, what, where, when, why and how. Speaking Children will use talk to organise, sequence and clarify thinking, ideas, feelings and events.	Listening, Attention and Understanding Children will be able to have conversations with adults and peers with back-and-forth exchanges. Speaking Children will use talk in sentences using a range of tenses.		
language interventions, Helicopter Stories and Tapestry Time.	Listening, Attention and Understanding: Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. Make comments about what they have heard and ask questions to clarify their understanding. Hold conversation when engaged in back-and-forth exchanges with their teacher and peers. Speaking: Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.							
Personal, Social and Emotional Development Children develop their personal, social and emotional skills throughout the year through My Happy Mind sessions, circle times, social stories, ELSA support, diversity stories, Tapestry Time etc.	Self-Regulation Children will be able to follow one step instructions. Children will recognise different emotions. Children will focus during short whole class activities. Managing Self Children will learn to wash their hands independently. Building Relationships Children will seek support from adults and gain confidence to speak to peers and adults.	Self-Regulation Children will talk about how they are feeling and to consider others feelings. Managing Self Children will understand the need to have rules. Building Relationships Children will begin to develop friendships.	Self-Regulation Children will be able to focus during longer whole class lessons. Managing Self Children will begin to show resilience and perseverance in the face of a challenge. Building Relationships Children will be able to use taught strategies to support in turn taking.	Self-Regulation Children will identify and moderate their own feelings socially and emotionally. Managing Self Children will develop independence when dressing and undressing. Building Relationships Children will an listen to the ideas of other children and agree on a solution and compromise.	Self-Regulation Children will be able to control their emotions using a range of techniques. Managing Self Children will manage their own basic needs independently. Children will learn to dress themselves independently. Building Relationships Children will learn to work as a group.	Self-Regulation Children will be able to follow instructions of three steps or more. Managing Self Children will show a 'can do' attitude. Children will understand the importance of healthy food choices. Building Relationships Children will have the confidence to communicate with adults around the school.		
	Self-Regulation: Show an understanding of their own feelings and those of others and begin to regulate their behaviour accordingly. Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability. Managing Self: Be confident to try new activities and show independence, resilience, and perseverance in the face of challenge. Explain the reasons for rules, know right from wrong and try to behave accordingly. Manage their own basic hygiene and personal needs, including dressing, going to the toilet, and understanding the importance of healthy food choices. Building Relationships: Work and play cooperatively and take turns with others. Form positive attachments to adults and friendships with peers. Show sensitivity to their own and to others' needs.							
PSHE	It's My Body	Aiming High	One World	VIPs	Safety First	Be yourself		
	Twinkl Life's PSHE and Citizenship scheme of work aims to equip children with essential skills for life; it intends to develop the whole child through carefully planned and resourced lessons that develop the knowledge, skills and attributes children need to protect and enhance their wellbeing.							
Physical Development Children improve their gross and fine motor skills daily by engaging in different Funky Fingers activities (threading, cutting, weaving, playdough), mark	<i>Gross Motor</i> Children will learn to move safely in a space. <i>Fine Motor</i> Children will begin to use a tripod grip when using mark making tools.	<i>Gross Motor</i> Children will explore different ways to travel using equipment. <i>Fine Motor</i> Children will accurately draw lines, circles and shapes to draw pictures.	Gross Motor Children will be able to control a ball in different ways. Children will balance on a variety of equipment and climb. Fine Motor Children will handle scissors, pencil, and glue effectively.	<i>Gross Motor</i> Children will jump and land safely from a height. <i>Fine Motor</i> Children will use cutlery appropriately.	Gross Motor Children will move safely with confidence and imagination, communicating ideas through movement. Fine Motor Children will hold scissors correctly and cut out small shapes.	<i>Gross Motor</i> Children will be able to play by the rules and develop coordination. <i>Fine Motor</i> Children will form letters correctly using a tripod grip.

			ecognising the pattern of the counting system. Compare quantities up to 10 in different contexts, recognising whe o to 10, including evens and odds, double facts and how quantities can be distributed equally.			n one quantity is greater than, less than or the same as the other quantity.		
Understanding the World	What makes me, me?		What is happening outside my window?	What was life like once upon a time?	Why is Water Wonderful?	Where can I travel to?		
			 History: Past and Present Children will talk about the lives of people around them. Geography: People, Culture and Communities Children will know that people around the world have different religions. Science: The Natural World Children will talk about features of the environment they are in and learn about the different environments. RE: People, Culture and Communities F3 - Which places are special and why? Strand: Expressing Religions and worldviews: This unit plan mainly focuses on Christians and Muslims. Children will know what the church is and why the local church is linked to our school. 	 History: Past and Present Children will talk about past and present events in their lives and what has been read to them. Geography: People, Culture and Communities Children will know about people who help us within the community. Science: The Natural World Children will make observations about plants discussing similarities and differences. RE: People, Culture and Communities F4 - Which times are special and why? Strand: Expressing Religions and worldviews: This unit plan focuses on Christianity, Hinduism and Judaism. Children will know why Christians are happy on Easter. 	 History: Past and Present Children will know about the past through settings and characters. Geography: People, Culture and Communities Children will know that people in other countries may speak different languages. Science: The Natural World Children will make observations about animals discussing similarities and differences. RE: People, Culture and Communities F5 - Being special where do we belong? Strand: Living Religions and worldviews: This unit plan focuses on Christianity, Hinduism and Islam. now, drawing on their experiences and 	 History: Past and Present Children will know about the past through settings, characters and events. Geography: People, Culture and Communities Children will know that simple symbols are used to identify features on a map. Science: The Natural World Children will know some important processes and changes in the natural world, including states of matter. RE: People, Culture and Communities F6 - What is special about our world? Strand: Living Religions and worldviews: This unit plan mainly focuses on Christianity, Islam and Judaism. 		
	the past through settings, characters and events encountered in books read in class and storytelling. <i>People, Culture and Communities:</i> Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps. <i>The Natural World:</i> Explore the natural world around them, making observations and drawing pictures of animals and plants. Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.							
Expressive Arts and Design	<i>Music: Being Imaginative</i> Children will sing and perform nursery rhymes. Charanga – Me!	<i>Music: Being Imaginative</i> Children will experiment with different instruments and their sounds. Charanga – My Stories	Music: Being Imaginative	<i>Music: Being Imaginative</i> Children will move in time to the music. Charanga – Everyone!	<i>Music: Being Imaginative</i> Children will play an instrument following a musical pattern. Charanga – Big Bear Funk!	Music: Being Imaginative Children will invent their own narratives, stories and poems. Charanga – Reflect, Rewind & Replay		
	Art & Design: Creating with Materials Children will experiment mixing with colours.	5	Art & Design: Creating with Materials Children will safely explore different techniques for joining materials.	Art & Design: Creating with Materials Children will make props and costumes for different role play scenarios.	Art & Design: Creating with Materials Children will explore and use a variety of artistic effects to express their ideas and feelings.	Art & Design: Creating with Materials Children will share creations, talk about process and evaluate their work.		
	<i>Creating with Materials:</i> Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. Share their creations, explaining the process they have used. Make use of props and materials when role playing characters in narratives and stories. <i>Being Imaginative:</i> Invent, adapt and recount narratives and stories with peers and their teacher. Sing a range of well-known nursery rhymes and songs. Perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with music.
