

## Summer 2 - Year 2

Welcome back to our final term! I hope you all had a wonderful May half term and have enjoyed the break. It has been great to welcome the children back and get kick-started with our next topic. We have lots of exciting learning happening this term through our unit Beside the Seaside. I have outlined the teaching for this term below. If there are any issues, please do not hesitate to get in contact via the school office.

Here is some important information regarding the general outline of the school week and the expectations of the children.

### Physical Education

PE lessons this year will be on Tuesday afternoon and Thursday afternoon until the 3rd of July as the Thursday session will be a professional-led golf session. After the 3rd July, PE will be on Tuesday afternoon and Friday morning. Please ensure that your child has their full PE kit (including trainers) in school for these days. If desired, they can leave their kit in school until you want them to take it to be washed.

### Spellings and timetables

Spellings for the following week will be stuck in your child's book weekly on a Friday. Children will need to practise the spellings, the rule and a selection of tricky words, ready for their test the following Friday. They are expected to learn spelling patterns and rules in order to encourage independence in their writing.

**Spelling books are a school book and must be treated with care.**

### Homework

As well as your spellings that must be practiced each week, your child will also receive some maths and phonics homework in their homework book that must also be completed each week.

Each half term, your child will also receive a sheet with lots of different practical and writing tasks relating to the topic. These are to be completed at a time that is convenient for you and will run through the entire half term. These can be brought in at any time to be shared with the class. Thank you for all your engagement with homework last term and I hope to see more amazing homework this term. Your child has some new topic homework for 'Adventure is Out There'.

**Homework books are a school book.** They must be treated with respect and come back each week in a good condition. Any activities in your spelling or homework books should be completed in pencil.

### Reading Records

Please help to foster a love of reading by encouraging your child to read at home. Reading records need to be signed at least 3 times a week and must be brought in every day. Children who read three times or more in a week will receive a stamp in their reading card. The loss of a reading record comes at the cost of £2.

### Uniform

The school policy requires children to come dressed smartly in school uniform every day. If you are unsure what this entails, please see our website. Please ensure that all uniform is labelled so items of clothing can be easily identified.
