

ENGLISH

Knowledge

- **Poetry:** The class will be creating autumn poetry including rhymes
- **Letter:** The class will be writing a letter to Santa Clause.

Skills

- Say out loud what they plan to write
- Use graphemes
- Hear say spell cvc
- Use a capital letter to start a sentence
- Write in the past and present tense
- Use capital letter I tense
- Use a full stop
- Spell cvcc/ccvc
- Spell common exception words
- Combine words to make sentences

PE

Social / Jumping and Landing

In this unit, the children will develop and apply their jumping and landing and seated balance through focused skill development sessions, thematic stories and games.

In their other lesson, they will explore the seasons through varied dance experiences. During the unit, they will work individually, in pairs and in groups and will develop their understanding of dance terminology such as mirroring, improvisation, canon and unison.

Year 1 – Autumn Term 2

Autumn Changes

MATHS

Number – Addition and subtraction

- Fact families
- Subtraction – take away/cross out
- Subtraction – how many left
- Subtraction - on a number line
- Add and subtract 1 or 2

Shape

- Recognise and name 3D shapes
- Sort 3-D shapes
- Recognise and name 2D shapes
- Sort 2D shapes
- Patterns with 2D and 3D shapes

SCIENCE: Everyday Materials

In this unit about Everyday Materials the children will distinguish between an object and the material, identify and name a variety of everyday materials based on which material they are made of, describe the simple physical properties of everyday materials, perform simple tests to identify some properties, classify materials into groups and make simple comparisons of materials.

Scientific Skills

- Identifying and classifying.
- Using their observations and ideas to suggest answers to questions
- Performing simple tests
- Observing closely, using simple equipment

RELIGIOUS EDUCATION

How and why do we celebrate special and sacred times?

In this unit, the children will explore the meaning of celebrating. They will explore festivals such as Harvest and Diwali as well as exploring the significance of Christmas for Christians and the Christmas story.

MUSIC

All the learning is focused around practise for the school Nativity with Key Stage One. They will learn songs that are in the show and identify the instruments within the songs and learn how to sing as a chorus. They will add actions that follow the beat and rhythm of the music and explore the tempos of the different songs.

GEOGRAPHY

In this unit, the children will learn about their immediate environment. They will explore their school environment using first-hand observation and experience to enhance their awareness along with essential map skills and fieldwork. They will recognise familiar landmarks in their environment. They will use maps and plan routes. They will use simple fieldwork and make simple observations about the school and area,

ART

Autumnal Changes

In this unit, children will make a collage with autumn materials. They will use different materials to create Autumn artwork such as pencils, clay and paints.

COMPUTING

We are Treasure Hunters

In this unit, pupils learn basic programming ideas through experimenting and solving problems with simple, programmable robots. They will control a programmable robot by inputting data and creating algorithms.

PSHE

Think Positive

This helps children recognise, talk about and accept their feelings, both positive and negative, as well as how to manage certain emotions. The lessons support themes of thinking positively and calmly, making good decisions and developing resilience.
